Pool at St. Croix by the Sea Hotel

## Caribbean escape... St. C Condominiums... the best of everything.

Your spacious St. C retreat...which you may choose to simply rent or lease...is situated on the gentle slope of historic Frenchman's Hill, adjacent to prestigious St. Croix by the Sea Hotel. Your private balcony offers the kind of view most people think went the way of Robinson Crusoe. A seascape that changes to twenty enchanting hues every time you look at it...a sky filled with luminous clouds and the verdant beauty of intriguing Buck Island on the horizon.

Floor-to-ceiling glass doors open this splendor to you in the living room, and the same magnificent view greets your eyes from the bedroom's panoramic window. The modern kitchen (for even bewitched mortals must eat) is fully equipped. Silent air-conditioning is yours at the touch of a switch. But equally important, of course, is the exclusive pleasures that await you beyond your apartment door. Even though the world of St. C seems to be about halfway between paradise and nowhere, the colorful old Danish free port town of Christiansted is only ten minutes away for shopping flings. And a luxurious yacht can whisk you from our lovely harbor to nearby Buck Island for unforgettable snorkeling or skin diving along the National Park Underwater Trail.

Venture beyond the Undersea Park for big game deepsea fishing. For golf, challenge Robert Trent Jones' Fountain Valley championship course. For tennis, try St. Croix by the Sea Hotel's new tennis club.

Lunch or swizzle poolside. At cocktail time stroll to the Top of the C Steakhouse to watch the sorcery of the sunset. Then dine sumptuously on superb West Indian, Continental or American cuisine.

Do a little. Do a lot. Suit your mood to the moment and rediscover living.
